- the horse opened up a new life to the cheyennes and many other native american tribes. the cheyennes left
their settled woodland life and became buffalo hunters on the great plains. the cheyennes were pushed
westward by their enemies, the sioux (soo), who had also adopted the horse and moved onto the plains. it was
the sioux who gave the **northern cheyenne reservation timeline** - platte bridge incident. after a false
accusation of horse stealing was made against a party of cheyennes, one of the cheyenne was shot and killed,
another captured, and a third wounded. the horses in question actually belonged to two tails, who was later to
